

**THE HARVEY  
SKIDOO TREE  
SERIES**

**LISTENING / READING COMPREHENSION QUESTIONS**

**1**

**THE HARVEY SKIDOO TREE**

*This anecdote is about two Canadian boys, almost into their teens. The story takes place in a town park one winter evening when one boy invites the other to try driving his family's skidoo for the first time. Have a look at the questions and try to answer them the best that you can.*

- 1) Who wasn't a fan of snowmobiling?
- 2) Where was the city located?  
a) in the west   b) in the east   c) in the north   d) in the south   e) it wasn't mentioned where
- 3) What did the boy steer the snowmobile with?
- 4) How long was Harvey's friend driving?  
a) 3 minutes or less   b) around 5 minutes   c) close to 10 minutes
- 5) The snowmobile hit the tree and  
a) one of the skis was damaged   b) both of the skis were damaged   c) the tree trunk fell on the two riders  
d) only a little damage was caused   e) one of the riders was hurt
