VOCABULARY LOOK	STUDENT HANDOUT
Here is some vocabulary which might help you in answering the questions and in your speaking:	
a makeover careful vs careless careless vs carefree to/a cure bewilderment	

Some people with cancer are interviewed and later get a makeover.

Q1 Can you say in your own words what these people have been expressing? **Play until 0'51**
Person 1 (0'10 – 0'19) *Knowing that her cancer can't be cured is very hard to accept.*
Person 2 (0'20 – 0'35) *She lives in constant fear of the threats (of the negative consequences of having cancer). It's always on her mind.*
Person 1 –again (0'36 – 0'50) *She was really carefree before she learned that she had cancer. She wishes she could live her life to its fullest as she had done before*

Q2 How do you think they'll be made up? (What will be done?) **Play until 1'33**
Possible answers: *They will have their hair brushed, styled, maybe even dyed. They will have make-up put on and in general, made to look more attractive or perhaps elegant. Some will have wigs to wear. It looks like a lot of thought was put into it beforehand because of the photos and plans displayed on the wall.*

Q3 They will have to keep their eyes closed until the makeover is done. How do you think they will react when they see the results? **Play until end**
Possible answers:
They'll be surprised / amazed / astonished / taken aback / disappointed
They'll find it funny / amusing / hilarious / embarrassing
It'll make them / They'll feel angry / happy / sad / depressed / bewildered
They'll laugh out loud / Their mouths will open and stay like that / They'll close their eyes and reopen them
