<p style="text-align: center;"><i>Shopping Strategies</i></p> <p>Some people are crack shoppers. They know all the ins and outs of shopping and their knowledge comes from years of experience and fine-tuning their strategies. What strategies do you use or have heard other people use to get a really good deal?</p>		<ul style="list-style-type: none"> ● to stake a place out ● to hide st in another rack ● to get caught red-handed ● a bit tricky ● a slim / a good chance ● to have a lot of nerve
<p>Structures to use:</p> <p>1) (semi-) modals of permission & advice – should, must, can't, be supposed to, had better</p> <p>2) Optional: you choose another structure</p>
