a hat box some luggage a stool a mike stand a gimmick to lip-synch

TEACHING SUGGESTION

Set up the activity / activities in any way you feel which would suit your and your students' needs and interests. The following is one idea that you could pursue if it appeals to you. (NOTE: Be careful of what vocabulary to pre-teach if you ask students to make predictions.)

0 – 0:03

Play until first see rabbit

Ask students to predict what will happen next

0:03 – 0:07

Pause as soon as see top of stool

Ask students if they have any other predictions

0:07 – 0:46 or 1:33

Play to end or earlier

Students watch (you could ask them how it might end)

POSSIBLE DISCUSSION THEMES:

- How would you train a rabbit to go from the hat box to stand up on the stool, and later return?
- What are the 12 Chinese zodiac animals? If the video was for the Year of the Rabbit, what is this year's animal and what video would you create?
- What gimmick(s) would you use to attract attention and become famous?
