Possible vocabulary to pre-teach:

to miss someone/something over-protective a taste of freedom

TEACHING SUGGESTION

Set up the activity / activities in any way you feel which would suit your and your students' needs and interests. The following is one idea that you could pursue if it appeals to you. (NOTE: Be careful of what vocabulary to pre-teach if you ask students to make predictions.)

Tell the students to answer these 2 questions after viewing the first section:

- 1) Describe the men that they see
- 2) Who is the man in the photograph?

0:07- 0:40 *Students make their description & speculate about the man*

Q: What does one man suggest?

0:40 - 0:57 *"Let's ride motorcycles."*

Q: These men are in their early 80s. What do you think they're going to do?

0:58 - 3:04 *Students compare their predictions with what is viewed.*

Q: This is a commercial. What do you think the product or service is?

3:04 - 3:08 *It's a bank.*

Ask the question before viewing the next section

POSSIBLE DISCUSSION THEMES:

- How much can you remember of the video? Can you describe it in detail?
- We often tell people they are too young or too old for something. If one of those old men was your father, would you be supportive or over-protective?
- What dreams do you have? Have you achieved any of them?
